

THE KANSAS HERALD.

FRIDAY DECEMBER 1, 1854.

Messrs. Tutt & Baker, of Weston, intend putting a light draught boat in the Kansas River, early next spring. It will pay.

Mr. Wm. Crane, is the traveling Agent for the Kansas Herald in Upper or North Western Missouri. We hope our friends in that section will lend him a helping hand in extending our circulation.

Agents.—Agents wanted to procure subscribers for the Kansas Herald. A liberal discount on the terms of subscription will be made. Postmasters every where are requested to act as agents, obtain subscribers, collect the money and receipt.

DAILY MAIL.—We have now a daily mail from Weston to Fort Leavenworth. As this arrangement has lately gone into operation, we hope for an improvement upon our old mail facilities. Though there was a contract for a daily mail from Kansas, Mo. to the Fort, yet for a time it was a great annoyance, for it served to heighten our expectations to cause a disappointment. No mail to day was the common news from our worthy post master. Frequently the only way any mail matter was obtained, Maj. Ogden, the Qr. Master, would send to Weston and bring it over. But now we hope for the better. The Stage now comes and goes to and from Weston to this place, and is a great accommodation to passengers. Can't we have a post office here, the Stage comes, and let us try and have the mail also.

LAW CARD.—See card of A. & R. Reese, in another column. R. A. Reese, has located in our place. We take great pleasure in recommending him as a gentleman very worthy and well qualified in his profession. Business of any kind, entrusted to him will meet with prompt attention.

The Herald of Freedom, is the title of a paper, devoted to the cause of the Abolitionists, said to be published at Wakarusa, in this Territory, but in fact there is no such paper published in the Territory. Such a paper is printed in New York and purports to be published at Wakarusa. We noticed in some of our exchanges, that the Kansas Herald is referred to as the paper. This paper has no affinity with the Herald of Freedom, has no connection with it whatever, and would not have any. The Kansas Herald is devoted to the best interests of the Territory, while the other paper is a humbug, being printed in New York, and devoted to northern interests exclusively.

The Kansas Pioneer, wants to know what the people of Leavenworth think of the Governor's move to the Shawnee Methodist Mission? Nothing more than this, we presume that he could get better quarters there than at the Fort and at the same time be further removed from Kickapoo. But his move, we apprehend, does not determine the fate of empires or decide the destiny of Leavenworth. Are our friends of the Pioneer answered?

"THE BOLD AND FEARLESS."—The Kansas Pioneer, claims to be "the first and only paper in the Territory that has come out openly and fearlessly in favor of slavery and the institutions of the south." We shall not aim to pluck a feather from its cap, but let the editors revel in their glory of making such a grand discovery. While we do not profess to be the peculiar champion of the south, yet we hope we shall ever contend for her rights, and the rights of "our whole country." We shall let our paper speak for itself, as to its position on all questions agitating the public mind, and shall not claim exclusive privileges, nor arrogate to ourselves any peculiar credit, which modesty—a rare jewel in some—would forbid, but which prudence would indicate had better come from some one else. We have generally found those most tender on some points, become the most bold and fearless, in an opposite direction.

SQUATTER ORGAN.—This is the sobriquet applied to the Kansas Herald, by our old neighbors of the St. Joseph Cycle. The Herald is emphatically the pioneer press, and was established by one of the original squatters of Leavenworth. We have ever been the advocate and defender of the squatter's rights, and while we have the power of speech, or can wield a pen, it shall be used in defence of that highly honorable class of our countrymen—who fearing no evil, can brave the vicissitudes and encounter the perils of a pioneer life, who tramp down the nettle, and open the country to civilization and the fine arts; who convert the wilderness from savage barbarity and make it to blossom as the rose. The Herald, as it has ever been, will continue to be true to the interests of the squatters, and every infraction of their rights, shall not go unrebuked. We are proud of the appellation given us, as the Squatter Organ, and are desirous of no higher eulogy than to be considered worthy to wear the name.

NEBRASKA.—Kansas has taken the lead in the election. After all said and done it seems there will be no election in Nebraska until about Christmas, not even for a Delegate to Congress. This we learn from a Nebraska paper.

GOVERNOR'S PRIVATE SECRETARY.—Mr. Williams, having resigned his post and left for home, the Governor appointed JOHN A. HALDERMAN, of this place his private Secretary. Mr. H. hails from Lexington, Kentucky, and is a young man of fine abilities, and thorough education. He is endorsed by all the leading democratic journals of his native State, and is recommended by legal gentlemen of all parties, as a prompt, thorough business man. Where he is best known, no man stands higher, or with a fairer reputation than Mr. Halderman. We predict for him a bright, prosperous and useful career, in the Territory, of his adopted home.

His appointment is a good one and unsolicited on his part, it evinces the good judgment and sound discretion of the Governor, in making so judicious a choice.

JACKSONVILLE.—This town is just being surveyed and is eligibly situated. It is on the main travelled road from Fort Leavenworth and Parkville to Uniontown on the Kansas river, about 15 miles from this place and 30 from Parkville. It is situated on a beautiful undulating belt of prairie of about half mile in width, with timber on two sides, has a stream, Nobles Fork of Stranger, running by it on which is a good mill site. A large settlement surrounds it, and from its central location must become the county seat of a large and populous county. There is every thing there to make a town. Already good roads from several principal points—the best in the Territory—pass through the place. The country adjacent is capable of admitting a dense population, the soil is rich, timber plenty, water and springs of the finest kind, building materials to be had, such as limestone rock, and timber, without difficulty, and stone coal in abundance. Who then can doubt for a moment, that Jacksonville will be a flourishing and business place. A public sale of lots will not take place before next spring, in the mean time however, lots will be sold, at private sale, to persons wishing to build immediately. Great inducements are offered at this place to actual settlers. See advertisement in another column.

GOVERNOR OF NEBRASKA.—This office seems to go begging. Hon. Willard P. Hall, of St. Joseph, Mo. who had been tendered the appointment since Gov. Burt's death, declines. Col. James N. Burnes, who was a candidate for Delegate to Congress from this Territory but declined, is spoken of very highly. Mr. Burnes is a gentleman, who would do credit to any station he might fill. His appointment would be a good one and acceptable to the people.

PAWNEE.—This is the name of a town recently laid off on the Kansas River, immediately below Fort Riley. It is at the junction of the Republican Fork and is at the head of navigation on the Kansas river. It is a beautiful site and bids fair to be one of the most flourishing towns in the interior of the Territory.

Council Bluffs, Iowa has met with a disastrous conflagration. A fire occurred about two weeks since burning down most of the large store houses. Loss estimated at \$35,000.

In Glenwood, Iowa, the store house of Nuckolls was burned down—loss \$7,000.

Complimentary Notices.—We find among the numerous complimentary notices of the Herald since our connection with it, a few, from democratic and whig papers:

KANSAS HERALD.—Mr. W. J. Osborn, has sold his interest in the Kansas Herald, to L. J. Eastin, formerly of the St. Joseph Gazette. Mr. Eastin is an excellent writer, and a true Democrat. Those wishing to subscribe for a Kansas paper, would do well to take the Herald.—Howard County (Mo.) Banner.

KANSAS HERALD.—Our late neighbor of the Gazette, Capt. Eastin, is making the Herald quite a readable paper. The friends of Kansas could not take a better paper. It is handsomely printed and well edited. Price \$2 in advance.—St. Joseph (Mo.) Cycle.

The KANSAS WEEKLY HERALD, is the title of a newspaper received among exchanges yesterday, all the way from the "disputed Territory." It is a neatly printed sheet, published at Leavenworth, by Eastin & Adams. It is the first newspaper that has been established in the Territory. "The City of Leavenworth," where the Herald is published, is situated about a mile and half below Fort Leavenworth, is "laid out" in streets, squares, &c., and is growing with true rapidity and thrift. It is destined to become a large and important place of business. It is not far from the new city Kickapoo.—Pennsylvania Jeffersonian.

The Kansas Herald is the name of a weekly newspaper published at Leavenworth, of which we have received two Nos. It is a wide-awake, good-looking sheet, and smartly edited. Success to the pioneer journal!—Burlington (Vt.) Sentinel.

KANSAS HERALD.—We find among our exchanges, this neat little paper. It is printed on a medium sheet, by Messrs. Eastin & Adams, and is Democratic in politics. A paper edited with so much ability as this number evinces, will have great weight in forming the institutions of the new Territory. It is published at Leavenworth, Kansas Territory, at \$2 per annum.—Columbia (Mo.) Journal.

KANSAS HERALD.—We have received the first number of the Kansas Herald, a democratic paper published at Leavenworth and the first newspaper published in the new Territory of Kansas. It is a well printed sheet and the introductory of the editors is well and ably written.—Albany Argus.

The KANSAS HERALD.—We give the publishers of this sheet, No. 1 of which lies upon our table, due credit for enterprise in the establishment of the pioneer journal in Kansas Territory. Although their paper has a strong semi-official odour, fully endorsing measures which we abominate, and enunciating principles which are hostile to our ideas of right, yet for the sake of the many good things which a public journal may accomplish outside of its political influence, as a vehicle of news, as an exposé generally of popular fallacies, and, if conducted at all properly, as a conservator of public morals—we trust it may be sustained.

We should presume that its motto ("The Union—it must be preserved.") was engraved in Washington, for the hackneyed sentiment is most common in the mouths of such men as spend most of their time in the purities of the Capitol.—Vergennes (Vt.) Independent.

Persons wanting reliable information of Kansas Territory, its settlements, improvements, mineral and agricultural resources, are assured they can get it by subscribing at once for the Kansas Herald at Leavenworth. We have secured able contributors in different parts of the Territory to write for the paper.

Dr. Easterly's Iodine and Sarsaparilla.—This preparation combines the Iodine (or Hydrate of Potassium), the fluid extract of Sarsaparilla (the Honduras Root) and the Yellow Dock together with other efficacious extracts which render it the most potent remedy known to man for the cure of all diseases arising from an impure state of the Blood, viz: Scrofula or King's-Evil, obstinate cutaneous eruptions, pimples on the face, blotches, biles, chronic sore eyes, ring worm or tetter, scald head, salt-rheum, pains in the bones and joints, old sores and ulcers, rheumatism, swelling of the glands, syphilitic or venereal diseases, erysipelas, tuberculous consumption, lumbago, diseases of the kidneys, dropsy, dyspepsia, liver complaint, nervous affections, general debility, neuralgia or tic-douloureux, cancers, goitre, white swellings, diseases arising from an injudicious use of mercury, exposure or imprudence in life, female irregularities, also chronic constitutional diseases. The ingredients employed in this preparation are known to the medical faculty and to almost every individual to be highly efficacious in the removal of diseases, producing action upon the blood, glands, lungs, liver, kidneys, digestive and urinary organs, enabling them to throw off diseases and to perform the functions that nature designed. Dr. Easterly's Iodine and Sarsaparilla searches out the very roots of the disease, destroys the germ by purifying the blood, changing morbid secretion, and by driving out all impure and diseased fluids of the body, and by thus removing the cause, the cure is rendered certain and permanent. It is the best remedy ever invented for the cure of mercurial and syphilitic or venereal diseases. It has cured thousands upon thousands after all other remedies had failed. It has cured, and will cure, the most desperate cases.

Ask for Dr. Easterly's Iodine and Sarsaparilla, and take nothing else.

For sale by the Druggists in Weston, Mo., and also by the principal Druggists and dealers in medicine throughout the Western States.

Dr. Easterly's Diarrhoea Syrup.—This is a pleasant, safe, and effectual remedy for Dysentery, Diarrhoea, Cholera, Cholera Morbus, Summer Complaint, Colic, Griping Pains, Wind in the Stomach and Bowels, Cramps, Fretting and Crying of infants, and all irregularities of the Bowels.

It is one of the most efficient, pleasant and safe preparations ever offered to the public for the removal of the various derangements of the Stomach and Bowels, and the only article worthy of the least consequence for curing Cholera Infantum or Summer Complaint, and all derangements of the bowels from testing.

Dr. Easterly's Diarrhoea Syrup is without exception one of the most valuable Family Medicines ever discovered. Hundreds of families of the first respectability in St. Louis have used it and bear the strongest testimony in its favor.

Price 25 cents per bottle.

For sale by the Druggists in Weston, Mo., and also by the principal Druggists and dealers in medicine throughout the Western States.

Dr. CARTER'S COUGH BALM.—Is a prompt and effectual remedy for coughs, colds, asthma, consumption, bronchitis, pain in the side and breast, and all diseases of the lungs. At this season the sudden changes of the climate, and the cold bleak winds of the north, produce coughs and colds—dangerous colds, which demand of the wise and the prudent, the earliest attention. Reader, have you a cough or cold? Do not neglect it. Thousands of the old and the young, the fashionable and the gay, are annually consigned to a premature grave by neglecting to attend to a common cold. Coughs and colds lead to consumption, and if not removed by a proper remedy, to an early death. Be advised in time. Procure at once that celebrated remedy, Dr. Carter's Cough Balm, which has cured thousands upon thousands after all other means had failed, and which seldom fails to cure the most appalling stages of consumption.

Price 25 cents per bottle; large bottles \$1, or six bottles for \$5.

For sale by the Druggists in Weston, Mo., and also by the principal Druggists and dealers in Medicines throughout the Western States.

Dr. Easterly's Fever and Ague Killer.—Is warranted to cure all cases of Ague and Fever, Chills and Fever, Dumb Ague, intermittent and Remittent Fevers, and every form of Fever incident to the West. If there suffers in Weston, we say try it, and if it fails to cure, the money shall be refunded to the purchaser. More than

Twenty-Five Thousand Bottles, have been sold, and in no instance has it failed to effect a permanent cure as far as heard from. Price, \$1 per bottle, or six bottles for \$5. For sale by the Druggists in Weston, Mo., and also by the principal Druggists and dealers in Medicines throughout the western states.

JACKSONVILLE.

THE undersigned in behalf of the proprietors above named, are laying off a town of the above name, at one of the most eligible points in the Territory. It is located on the Nobles Fork of Stranger Creek on the Pottawatomie road from Parkville on the Missouri river to Uniontown on the Kansas River, and at the junction of the Fort Leavenworth road. It is about 30 miles from Parkville, 15 from Leavenworth, 18 from Kickapoo City, and 15 miles from the Kansas river, on a high beautiful belt of prairie of about half mile in width, with a large body of good timber on each side. The advantages of the location are already known and appreciated, and many persons are now waiting to build.

The location is about central between the Missouri and Kansas rivers, and with the best natural roads in the west leading to it. It is about central to a country that is susceptible of a large and dense population, and everything points to this place as the centre of a county that will be formed, making it of necessity a county seat.

There is an abundance of lime stone rock, inexhaustible veins of stone coal in the immediate vicinity, which have been tested, and proved to be good. Added to all these there is good timber, and a large body of water, adjacent to the town. There are several fine springs of clear running water on and adjoining the town tract, and but a few miles west is where the old Delaware Mills were established, said to be an excellent mill site.

The town will be surveyed immediately and plats made, but no public sale of lots will take place before next spring. But in order to accommodate those who want to build this winter a few lots will be sold at private sale.

An examination of the premises, will not fail to convince any one of the superior claims of Jacksonville. The great body of the travel from the region of country bordering on the Mo. River, from Weston down to Parkville, crossing to the valley of the Kansas must pass through this place.

We have submitted a few facts to the public, to elicit their attention. A glance at the country will afford a view the most picturesque and lovely the eye ever rested upon. A rare chance is now offered to the poor man, the speculator, and all who want to make money. Here is the place to buy bargains.
